KITCHEN EXPERT

Product features

The design of the dish is scientific, convenient and hygienic. It is the first choice for making various kinds of vegetable stuffing and fruit; it can instantly stir various fruits and vegetables, such as cabbage, radish, green peppers, tomatoes, potatoes, ginger, garlic, and various fruits; shrimp, fish, pork and other fine meats; it can be made in a small amount; the size and taste of the particles can be controlled according to their own tastes, and the operation is simple and convenient. It is your home life and gifts. Friends and family gifts!

Precautions

1. When putting fruits and vegetables, cut fruits and vegetables as much as possible so that the operation process can save time and effort; put the cover on counter-clockwise to open, put a small amount not too much or too little, the amount of input to increase the top steel blade blade is appropriate.
2. The jog switch must not be operated for a long time during the operation. Wait 10-30 seconds after each agitation and continue to work. This effectively protects the motor and extends the motor service life.
3. After using the machine, remove the steel blade first, rinse it against the faucet, do not touch the steel blade with water; then wash it again. His machine attachment.
4. Take care to keep the steel blade dry. There is a labor-saving gear device inside the machine cover. Do not soak the water in the cover. Rinse and drain after use. Moisture, steel blade is abnormally sharp, children do not touch.
